

Dear Parent and Student,

To prepare students for the upcoming fall semester, a Learn Ahead AP Biology, and a Learn Ahead Biology class are starting at the South Brunswick and Marlboro locations. These summer courses will provide the foundation for success in regular or AP Biology. Major topics covered will include Evolution, Cell Communication, DNA, Protein Synthesis and Gene Expression etc.

Test taking strategies as well as practice questions will be used throughout the course. Access to the course website will allow students to review materials as needed. AP Biology curriculum is changing by College Board in recent years. This course takes into account all the new curricular changes and will provide students with the confidence to excel with this challenging course.

The schedule is as follows:

### **Learn Ahead AP Biology**

- South Brunswick: Wed, Fri 6 – 9 pm, Sun 9:30 – 12:30 pm (8/7 – 8/25)

### **Learn Ahead Biology**

- Marlboro Date/Time: Mon 6 – 9 pm, Saturday 10 – 1pm (8/3 – 8/26)

The teacher Danielle Drust is a high achieving teacher with a record breaking achievement in 2019 AP/SAT Bio tests where the entire 2019 South Brunswick AP/SAT classes scoring perfect, i.e. 5 in AP and 800 in SAT Bio exams. With over 15 years of successful teaching experiences, including regular, honor, SAT, AP and Olympiad Biology, Ms. Drust sure knows not only how to help students reach their full potential with top scores, but also knows how to work well with students and stimulate their interest on the subjects so that they study with passion.

You are welcome to try out the lesson to appreciate what Ms. Drust can offer.

Please contact the following for reserving your seats or registering classes:

- South Brunswick: (732)744-0001 (call or text)
